

KIEWA VALLEY KIDS

Childcare & Kindergarten

Dear parent/guardian,

Important information regarding your child's kindergarten year

The Victorian Government provides funding to support children to access a high-quality kindergarten program in the year before they start school. The funding is a contribution towards meeting the cost of the kindergarten program. Kiewa Valley Kids kindergarten funded programs meet the requirements of the State Government's '**Victorian Kindergarten Funding Guide**' which can be found at <https://www.education.vic.gov.au/childhood/providers/funding>

Your child can only be funded for a kindergarten place at one service at any one time and only for one year (unless your child is assessed as being eligible for a second funded year by your child's kindergarten teacher).

In 2024, your child is enrolled to attend our kindergarten program and we will be claiming funding for your child on your behalf. **Please sign below and return this form to acknowledge that your child is accessing their funded kindergarten place at our service in 2025.**

If your child also attends a stand-alone (sessional) kindergarten, please let us know as the stand-alone kindergarten will be able to claim funding for your child but our centre will not. If your child will be attending another children's service that offers a funded kindergarten program, you must tell that service we will be claiming funding for your child.

At Kiewa Valley Kids - Childcare & Kindergarten, we are all about laying the foundation for a lifelong love of learning through exciting early learning experiences. We hope your child enjoys their journey into formal schooling.

Kind regards,

Centre Director
