Request for updated Immunisation certificate

Dear Families,

To ensure our Service is meeting our duty of care and complying with National Regulations and Law, we are required to request a copy of your child’s updated immunisation certificate.

We therefore ask for your assistance in providing us with either a hard copy or a digital copy which can be emailed to admin@mouldenelc.com.au.

Please provide a copy or a digital copy by Wednesday 12th of October 2023.

We thank you in advance for your assistance.

Kind regards

Sharon Floyd
